- Exclusions: Broken leg, dropping off heavy packages or your late and the gates are closing (if your late the gates are closed half way). If using one of these excuses to enter this area, please park in the 1 or 5 minute space.
- Unexcused: buying script, need to go to the office or my kids go in or get picked up this way.
  
- When dropping off your student in the traffic circle Please pull up past the crosswalk if possible, if you don't it causes the line to get backed up and is inconsiderate.
  
- Please refrain from dropping your student off at the wall it is hazardous ---it doesn't take but seconds more to go through the circle.
  
- Please do not park against the wall. This makes it difficult for cars to back out of their spaces and causes traffic.
