

## SAINT JOHN OF GOD CATHOLIC SCHOOL

# PRESCHOOL

### 3 YEAR OLD PROGRAM

"Our preschool program encourages learning through creative play in a **fun** and **safe** environment. Saint John of God school fosters a faith filled education focused on developing the whole person: **body, mind** and **spirit**."

#### Faith Development

Integral part of everyday teaching. Students develop their relationship & faith in God while learning prayers, attending weekly mass & regular visits from our priests.

#### Language Skills

Developing early literacy through exposure to various books, enhanced learning opportunities through show & tell, story telling and imaginative play.

#### Motor & Readiness Skills

Promoting physical and mental activities through social playtime, acquiring readiness skills such as: writing, cutting, coloring and sharing.

#### Music & Art

Providing a safe and monitored environment rich in arts and music
